The acceptance by MakerSpace of any payment, or of a sum less than is due, shall not be construed as a waiver of any of the MakerSpace's rights unless such waiver is in writing.

MakerSpace Policies and Procedures

MakerSpace strives to provide a safe and supportive, inclusive, productive and fun environment for its members. In light of this, we ask you to abide by the following policies and procedures for our community space. Not following these policies and procedures can make our MakerSpace dangerous or unwelcoming to others, and so actions on your part may result in your membership being terminated without notice. Please take them seriously. We reserve the right to change these policies and procedures as needed and with sufficient notice to members.

Individual Safety: We want you to be safe.

Please obey all posted signs and literature about the safe use of MakerSpace. These include but are not limited to signs regarding appropriate clothing and personal protection equipment (PPE), safe operating procedures for equipment use and material-specific precautions/recommendations for equipment. Do not use equipment you are not comfortable with or trained to use.

Shared Safety: We keep everyone to be safe.

In a shared and open facility like MakerSpace, it is possible for less experienced members to operate equipment dangerously without knowing it. Please stay on the lookout for unsafe behavior, and approach and offer feedback to fellow members if you believe they are working unsafely. Please notify staff immediately if you believe any piece of equipment or infrastructure to be unsafe.

Respectful Behavior: We respect other at all times

MakerSpace is an inclusive community space. In all interactions, please behave respectfully and kindly to your fellow members. No discrimination, harassment, or hate speech shall be tolerated.

Courtesy of Shared Spaces: Keep noise levels to a respectful minimum for the comfort and enjoyment of those in the immediate area. Restore the shared spaces to be as clean as or cleaner than when you found them. Please respect and do not interrupt any official MakerSpace or Community College activities or classes in the shared spaces.

Guests: Non-member guests (18+) are permitted to visit MakerSpace for short periods of time or longer if MakerSpace is hosting an event open to the public, so long as they do not use MakerSpace equipment or shared areas or interfere with other members. Guests and their actions are the sole responsibility of the host member.

Tolerance of Feedback:

Please be open to constructive feedback from fellow members, especially as it pertains to safe use of our equipment and disrespectful communication or behavior.
